

## Declaration

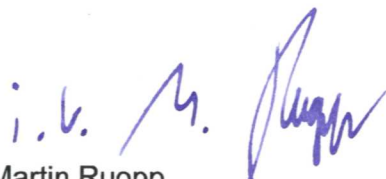

We confirm that our board grades

**ALGRO DESIGN (6240)**  
**ALGRO DESIGN CARD (6241)**  
**ALGRO DESIGN TOP (6242)**  
**ALGRO DESIGN DUO (6243)**

are produced with a mixture of elementary and totally chlorine free bleached cellulose fibres.

The production is based on virgin fibres only and no recycled fibres are used for pulp preparation.

The paper grades are fully recyclable and biodegradable with suitable technological action and equipment.
